

TOYOTA C-HR PLUG-IN HYBRID

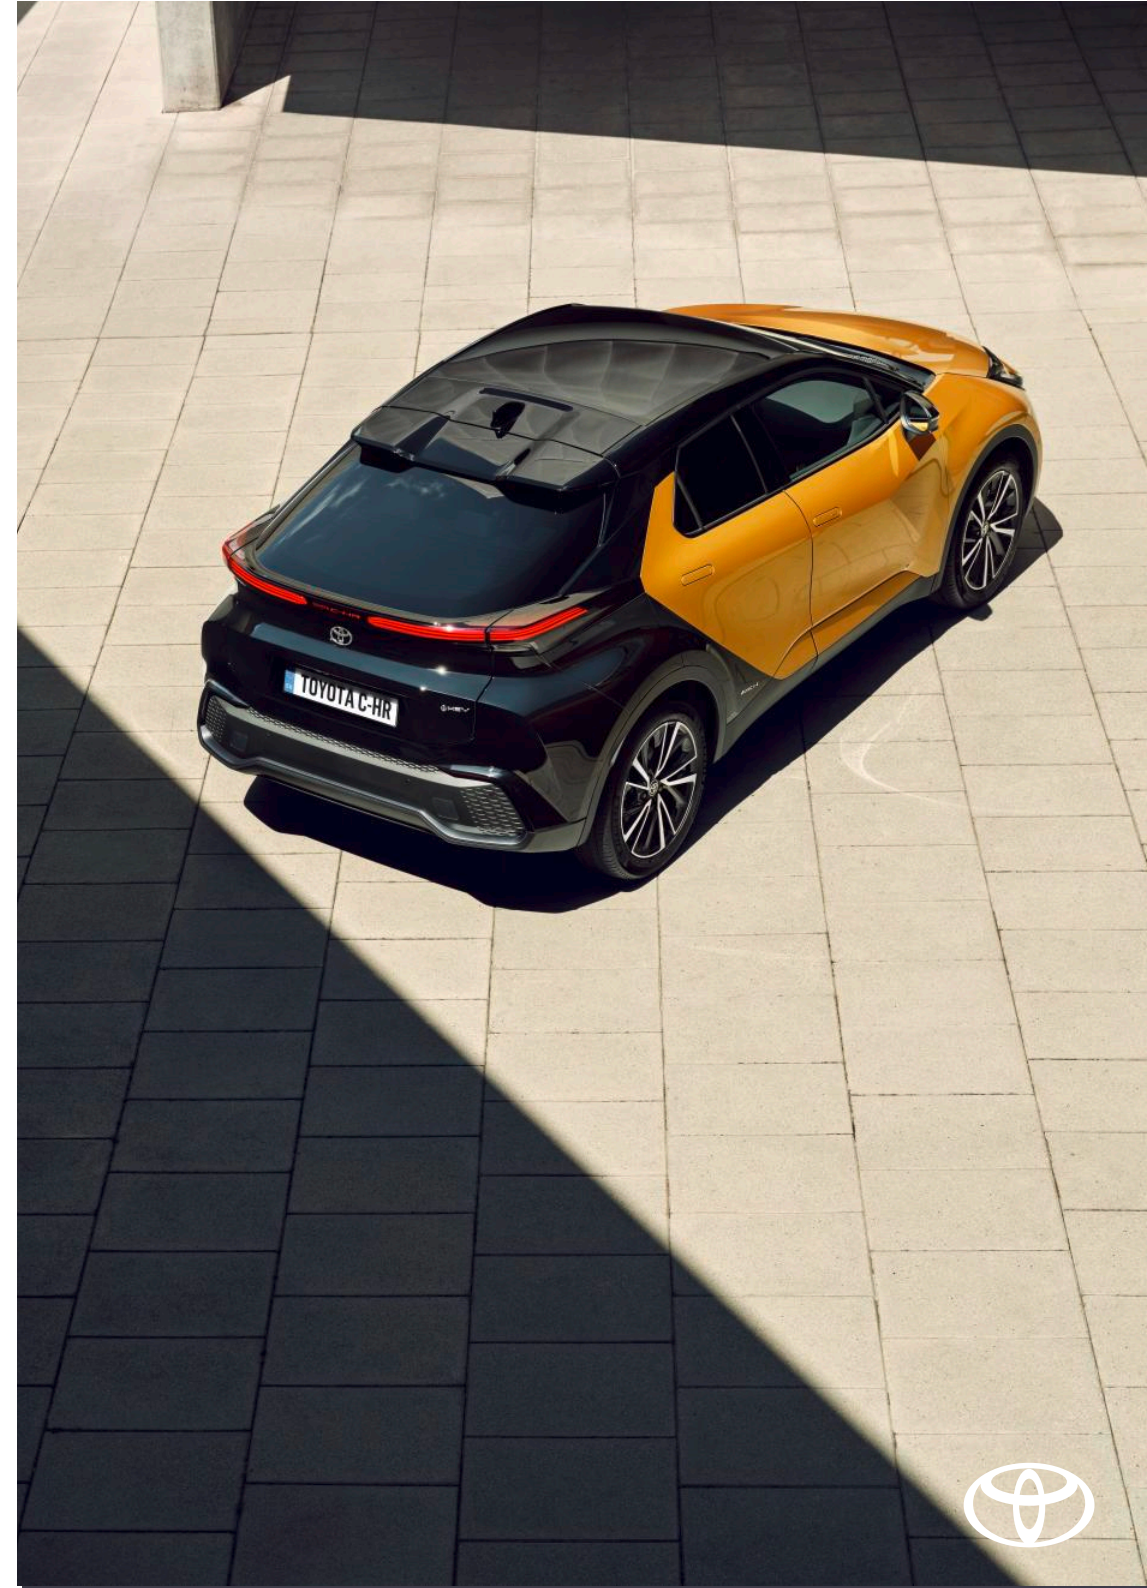

TOYOTA C-HR PHEV

Rules are made to be broken. Impossible to ignore, the new Toyota C-HR fuses coupe and crossover design elements into an original and distinctive silhouette.

Purposeful in its stance but with the streamlined profile of a coupe, it looks like no other car. The precise character lines, sleek headlights and elegant rear light bar remove all doubt: the concept car is ready to hit the road.

Welcome to the next level Plug-in Hybrid experience.

BATTERY & CHARGING

Predictive EV Drive and Geo-fencing technology work together to optimise battery use throughout your trips.

CHARGING 'PLUG AND PLAY'

Charging the C-HR PHEV is easy and safe, with multiple charging options to meet customer needs in every situation.

WALLBOX-CHARGING EVERYDAY

A wall-box can be installed at customers' homes or offices for efficient charging:

Home/Public - 2.5 hours at 32A with 7KW OBC

HOUSEHOLD PLUG IF NECESSARY

Charging from a home socket is possible but takes considerably longer, up to 6.5 hours at 10A.

OPHEV

MYTOYOTA APP IN CONTROL FROM YOUR PHONE

The intelligent cockpit keeps everything in sync between your car and smartphone. Designed to make driving easier, the My Toyota App on your smartphone opens up a world of connectivity.

Depending on the model, check your car's battery level, schedule charging and view trip data. Schedule remote A/C to cool and heat your vehicle before driving.

TOYOTA C-HR PHEV

SUSTAINABILITY AT ITS CORE

The new Toyota C-HR is proof that doing things differently doesn't have to mean compromise. Recycled materials have the potential to redefine premium, while a lighter car is also a more engaging car to drive. In the cockpit, the new Toyota C-HR introduces vegan leather alternatives.

The use of recycled plastics is also dramatically increased compared with its predecessor.

The body, painted in low-impact water-based paints, takes advantage of high-strength steel to reduce weight, driving down fuel consumption.

SECOND-LIFE PLASTICS

The new Toyota C-HR makes extensive use of recycled plastics. Used for seat fabric, floor mats, luggage boxes and more, it uses twice as much recycled plastic as the outgoing model.

TOYOTA RELAX

Toyota Relax is a testament to the confidence we place in the quality of our vehicles. After your manufacturer's warranty finishes, you can still feel complete peace of mind, with 12 months OR 15,000km warranty when you service your vehicle. So you can rest assured that your car is in safe hands—with expert technicians, who only use genuine parts. So your Toyota stays 100% Toyota.

When you choose Toyota to service your vehicle, we'll reward your loyalty. Once your service is due, all you need to do is bring your Toyota in for a service and your Toyota Relax warranty will be renewed until your next service is due—up to 10 years vehicle age or 185,000km (whichever comes first).
